This South Dakota daughter lights up the show barn, she has the sass and style to catch the judges eye. Her 68lb. unassisted birth weight, rocket clean front, deep ribbed, stylish package is what any cattleman can appreciate. She stems from the famous Whitestone Kem Family, her dam was sold as a calf for \$20,000. This one has big time potential. Pictured here is her full sister, a many time champion for Zack Wasser.

Last but not least, this young June steer is also green conditioned but offers a powerful taste for the future. His dam is extremely thick, and big boned, his sire is Frozen. This calf is extremely tame, and would be a wonderful project for any first year showman. His sire stacks multiple generations of show ring winners. Don't be shy because this guy knows how to eat!

“Pippa” is the love of my daughters life, this gentle natured stout, deep ribbed female is really excellent. This lot will sell as a half interest, possession negotiable lot, we only have her dam and we want to retain half of this female. Please talk to us to discuss details on this extremely good phenotype and genotype heifer!

This beginning of May calf sure is exciting. He has big bone, middle of the road frame, thick hair, and those fuzzy ears all steer showmen enjoy. This guy is clean necked, big based with a calm temperament. He is a half brother to our high selling lot in 2017. Sired by the powerful Surveillance bull, this steer could

be an awesome fat steer.

This young June calf sure is hairy, and super tame. He has an extreme look up through his front end, decent bone and thick backside. His dam comes from the well known PDV "Velesek" family from Maryland. His sire was successfully shown, with many time Champion honors, Tractor is extremely docile, big boned, larger framed, and extremely thick for an Angus bull.

This mid April calf is our favorite Angus steer, he is super attractive, great hair, good bone, and super thick. He is extremely docile and would work for a young showman. This guy stems from a powerful cow family, relation to him helped create the 2 time Supreme Champion bull at the PA Farm Show, this guy is super special.
